Abingdon Motorsport CAR-nival Presents...
The CAR-nival Autotests

7th June 2003

Supported by

Stanwell Trailers

Organised and promoted by Windsor Car Club

Welcome to the supplementary regulations for the 7th Abingdon Motorsport CAR-nival Autotests, which will once again make the most of the large available space, and our format of virtually non-stop action ensuring competitors get a full days motorsport.

As last year, in addition to the National B autotest, we will be running Clubsport events alongside the main event. As last year, we will not only be running a Production Car Autotest but also a Clubsport Autotest. For those of you who don't know, this means that you can compete without a competition license, so you can bring along your friends, spouses and offspring to try their hands at autotesting with minimal outlay.

As a part of The Abingdon Motorsport CAR-nival Weekend (which has raised over £65,000 in 6 years), a large element of the event is based around raising money for the Army Benevolent Fund (Charity No 211645) and The Stowford House Rehabilitation Centre (Charity No 243837). In addition to your contributions made as part of the event entry fee, we also donate a large proportion of any profits made from the event towards these charities.

The CAR-nival weekend also features stage rallying, off-road, sprinting, off-road driving and grass driving tests and anyone wishing to stay for the weekend are welcome. Camping and caravans are free of charge although you must appreciate that the facilities are 'as a farmers field'.

Anyone wishing to stay locally will find adequate accommodation at a number of Travel Lodges and Travel Inns all within easy reach of the venue (early booking is recommended for either The Apple Cart (Travel Inn - Didcot) or the Travel Lodge (Pear Tree Interchange - Oxford)).

As is always the case, a good number of marshals will help the event to run smoothly, so please encourage your friends to come along to support you.

We urge you to join us at the fantastic Abingdon Motorsport CAR-nival Stages, an event that will become a MUST on your motor sporting calendar.
