Abingdon Motorsport CAR-nival Presents...

The CAR-nival Autotests

10th June 2006

Supported by

Stanwell Trailers

Organised and promoted by Windsor Car Club

Welcome to the supplementary regulations for the 10th Abingdon Motorsport CAR-nival Autotests, which will once again make the most of the large available space, and our format of virtually non-stop action ensuring competitors get a full days motorsport. Being the 10th year of the Abingdon Motorsport CAR-nival, there will be live bands on the Saturday evening, and (at the time of writing), hopefully a real-life celebrity to hand out the awards! It's sure to be a great weekend, please come along and join us.

As in previous years, we will be running a Production Car Autotest as well as our conventional National B and Clubsport Autotests. The Production Car Autotest means that you can compete without a competition license, so you can bring along your friends, spouses and offspring to try their hands at autotesting with minimal outlay.

As a part of The Abingdon Motorsport CAR-nival Weekend (which has raised approaching £100,000 over the years), a large element of the event is based around raising money for the Army Benevolent Fund (Charity No 211645) and The Stowford House Rehabilitation Centre (Charity No 243837). In addition to your contributions made as part of the event entry fee, we also donate a large proportion of any profits made from the event towards these charities.

The CAR-nival weekend also features stage rallying, sprinting and off-road driving and anyone wishing to stay for the weekend are welcome. Camping and caravans are free of charge although you must appreciate that the facilities are 'as a farmers field'.

Anyone wishing to stay locally will find adequate accommodation at a number of Travel Lodges and Travel Inns all within easy reach of the venue (early booking is recommended for either The Apple Cart (Travel Inn - Didcot) or the Travel Lodge (Pear Tree Interchange - Oxford)).

As is always the case, a good number of marshals will help the event to run smoothly, so please encourage your friends to come along to support you.
